SUMMER HOLIDAY HOMEWORK
CLASS - 1
SESSION - 2025-26**

Dear Parents

Warm Greetings!

As we approach the summer break, it's a wonderful opportunity to enjoy quality time with your child. The summer vacation offers a much-needed respite from the structured routines of the school year. With freedom comes responsibility, and in this spirit, we've curated a range of activities aimed at keeping your children engaged while nurturing their creativity. We kindly request your support in guiding your child through the homework and assisting them in discovering and expressing their creative potential. Together, let's make this summer a time of growth, exploration, and memorable experiences for our young ones. Each student is expected to undertake all the homework assigned in the Holiday Homework.

PLEASE NOTE: Periodic Assessment will include grading from the Holiday Homework for scholastic and co scholastic activities.
